What a Term I - whats coming up in term II

## Celebrating Success And Continuing Our Momentum

As we come to the end of Term 1, I would like to sincerely thank our staff, students and wider community for a strong start to the year. It has been a busy term. We had our swimming and cross-country carnivals, highlighting participation and house spirit. Our sports academy teams have also represented BSHS with pride, competing in a range of competitions and friendly matches, demonstrating commitment, teamwork and sportsmanship.

Our first Academic Excellence class in Year 7 has made an impressive start, engaging deeply in a variety of learning experiences designed to stretch their thinking and build strong critical and analytical skills.

As a school, we were proud to be nominated for the Scenic Rim Business Excellence Award. While we did not take out the award, the nomination itself is a significant achievement and reflects the collective efforts of our entire school community. Student interim reports will be emailed home tomorrow. I encourage you all to take the time to sit down with your child to discuss their progress, celebrate successes, and identify areas for growth as they set goals for Term 2.

As a community, we also recognise areas for continued focus. While I acknowledge and celebrate 658 students whose attendance is 90% or better and the 407 students whose attendance is 95% or better for Term 1, attendance remains a priority. Consistent attendance maximises learning and supports future pathways, particularly as students move into the senior phase of schooling. Additionally, how our students represent BSHS in the local community is important. Our local businesses are valued members of our community, contributing to the local economy. It's essential that students are showing respect to our local business and staff, upholding our high

expectations.

Finally, I am pleased to share that, with Damien Burke being extended in his current role, I will continue in the Principal role for Term 2. I have thoroughly enjoyed my time at BSHS throughout Term 1 and am excited to be continuing my time at this great school.

On behalf of whole school community, I wish all students and families a safe and happy holiday break and look forward to welcoming students back on Monday 20 April for the start of Term 2.

Kind regards

Troy Olsen  
Principal

## A Strong Start To The Year

Term 1 has been a strong start, filled with achievement, connection and school pride.

Events such as the Swimming Carnival and Senior Investiture celebrated student effort and leadership, while Harmony Day created a genuine sense of belonging across our community.

We thank parents and OzCare for supporting a smooth immunisation program.

Our Academy Programs are already in full swing, with Agriculture and Sports achieving early success in the arena, on the court and out on the field.

Students approached exams and NAPLAN with resilience and determination, showing up and giving their personal best.

We also proudly acknowledged International Women's Day, with strong student representation and leadership from our Beyond the Broncos students.

And to finish the term, Cross Country is tomorrow, where house pride will be on full display as students compete for 2026 bragging rights.
