

July 2025

Dear Parents/Carers,

Year 7 students have the opportunity to participate in our annual camp alongside a small number of Year 11 school leaders from the 10th to 12th December 2025 at CYC Adventure Camp on the Gold Coast.

This camp represents the culminating activity for the Year 7 Get Connected program; designed to provide students with lessons around positive relationships, resilience, developing better communication skills and wellbeing.

Whilst on camp, participants are exposed to a number of team building and confidence-building activities; including tubing, stand up paddle boarding, canoeing, surfing, dragon boat racing, trivia, beach walks and much, much more!

In order for your child to participate in this year's camp, **a \$50.00 non-refundable deposit needs to be paid to the school by Tuesday 1st September 2025**. There are limited numbers (this year there are only 80 spots), so please attend to paying the deposit at your soonest convenience to secure your student's spot.

Full payment of \$330.00 will need to be made to the school by the 10th of November for your child to participate. There is also the requirement that all school fees are paid by this time; irrespective of whether or not you have a payment plan in place with the school. Fundraising opportunities are currently being investigated in order to help individual students who opt in to the camp to offset the cost.

Should you decide against sending your child on camp, be advised that a program of instruction will be available at the school, and that your child will be required to attend every day for the duration.

Further information will be provided to participating students in early September. In the meantime, please arrange payment of the \$50.00 deposit to ensure your child's place on the camp.

If you have any questions regarding the camp, please contact Miss Danielle Tecarr, Camp Coordinator, at the school on 5542 9111.
