Term 3 in Review: Community Voice, Uniform Updates, Academic Academy 2026

Term 3 has been another busy term at Beaudesert State High School. As we head into the final term of 2025, it is also fitting that we begin to the future of 2026 and beyond.

School Review

In Week 9, a School Review was conducted and 272 staff, students, parents and community members. The review provided a number of affirmations celebrating the work of the school over the past four years and across the 2022-2025 Strategic Plan.

The review also provided a series of suggested next steps or Improvement Strategies that we will ensure are incorporated in the next Strategic Plan for 2026-2029.

A parent consultation process will occur over Term 4 to assist with the development of this plan and the strategic direction of the school. Please keep an eye out for the EOI in the coming months.

Formal Uniform

You will recall that in 2024, I communicated with parents about the formal uniform requirements for the year only to have supply issues with our uniform suppliers across the year. This has resulted in the delay of the formal uniform Monday's being postponed until next year.

I am happy to announce that the formal uniform shorts are in stock and can be purchased in readiness for 2026. Students can wear this uniform any day across 2025 and 2026 and it must be worn for excursions and as part of the Sports

Academy programs when attending games. Formal uniform Mondays will start official in 2026.

Academic Academy

As you may have seen on our social media pages, 2026 also brings in the first year of our Academic Academy Program.

Starting in Year 7, our Academic Academy will support and nurture the learning of high-achieving students with specialist teachers. This program will grow into Year 8 and 9 in the following years, ensuring all students in the school are supported to reach their academic potential.

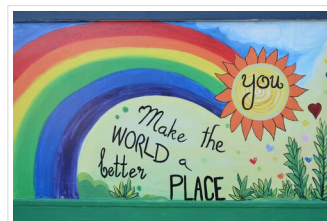

If you have any questions about the Academic Academy for 2026, please reach out to Rob Wons, Deputy Principal – Junior Secondary on rwons1@eq.edu.au.

Warm regards

Damien Burke

Principal

Growing, Creating, Belonging

With over 60 years of delivering quality education, Beaudesert State High School continues to shine as a place of learning, growth, and pride. Recent school upgrades have brought new life, fresh colour, and a stronger sense of belonging for students, staff, and community.

Our grounds have been revitalised with new gardens and safer, sustainable plantings, while a vibrant new mural now celebrates the spirit and creativity of Beaudesert High. In the Multi, striking House Banners inspire energy and friendly competition, and several teaching blocks have been brightened with fresh paint, creating welcoming spaces that students are proud to learn in.

These improvements highlight our commitment to excellence, sustainability, and community pride. We thank Beaudesert Lions and the Gambling Community Benefit Fund for their support in helping us create an inspiring environment for the next generation of learners.

Exams, Events & Endings

Term 4 is always one of the biggest and most exciting times of the year at Beaudesert State High School.

Alongside important exams, the calendar is filled with events and celebrations that mark milestones for our students, from awards nights to final send-offs and everything in between. None of this would be possible without the dedication of our staff, many of whom give generously of their own time to ensure these occasions are memorable. Together, we look forward to a term of achievement, reflection, and celebration.

Here are some event dates to make a note of for Term 4
