Growth & Leadership

JOIN US

## The Program

*Students engaged in this program have the opportunity to experience all things farming. From bee keeping to cattle husbandry. Students are also encouraged to build their confidence and self-esteem at numerous Show Days throughout the region. Supported by a dedicated and experienced team, your student will thrive in this program.*

## Agriculture Leadership Criteria

- Actively leads and participates in Agriculture events, promoting inclusion and teamwork.
- Demonstrates effective communication, mentoring, and support for less experienced teammates.
- Advocates for the Agriculture Department and models school values at all times.
- Demonstrates competent livestock handling, biosecurity awareness, and ethical animal care.
- Takes initiative with animal welfare duties and consistently meets academic deadlines.
- Builds resilience, responsibility, and teamwork through agricultural challenges and competitions.
- Develops pride, confidence, and a sense of belonging through shared agricultural achievements.
