

BEAUDESERT STATE HIGH SCHOOL

INSTRUMENTAL MUSIC PROGRAM

The program is designed to develop students' music literacy, technique and performance skills.

Students have the opportunity to join groups such as the school concert band, string orchestra and other extension ensembles.

Learning takes place via small group lessons and lunchtime or after-school rehearsals with specialist teachers.

Students develop confidence and showcase their musical talents through school and community performances.

INSTRUMENTAL MUSIC PROGRAM

OBJECTIVES:

- develop musical skills and an extensive repertoire
- allow students to work collaboratively with peers to develop timing and listening skills
- enhance life skills in self-motivation, discipline and focus
- develop emotional well-being through an understanding of the self, other people and the world around.

The program includes a weekly:

- 1 x 1 hr ensemble rehearsal
- 1 x 35 min group lesson

TIME ALLOCATION:

- After school rehearsals
- Lunchtime rehearsals
- Small group lessons
- Weekend and evening performances
- Commitment to home practice
