Students participating in the Student Resource Scheme (SRS), which are school fees of $200.00, receive access to online learning programs, school resources & other subject materials. The SRS also includes:

- Senior Student Planner is provided at the beginning of the year. Students are expected to have their planner at school every day. **Replacement cost is approx. $15.00.**
- Student ID Card is provided at the beginning of the year. They have the student's MIS ID code, which is needed to access the school computers, printing and other school resources.
  **Replacement ID card cost is approx. $5.00.**
- Student Printing Credit = $10.00, access with Student ID Card. Should the student use all the printing credit they can purchase a top up with the Finance Officer or via the QKr App.

Refer to the BSHS website for further information: Student Resource Scheme (SRS)

** Fees are correct at date of print (14/07/25) and subject to change without notice.*

---

If you choose not to participate in the SRS, then you will need to purchase all resources for every subject.
You can request a copy of the information with the costs involved from the Finance Officer.
