Students participating in the Student Resource Scheme (SRS), which are school fees of $200.00, will receive textbooks & all other subject resources. The SRS also includes:

- Junior Student Planner is provided at the beginning of the year. Students are expected to have their planner at school every day. **Replacement cost is approx. $15.00.**
- Student ID Card is provided at the beginning of the year. They have the student's MIS ID code, which is needed to access the school computers, printing and other school resources. **Replacement ID card cost is approx. $5.00.**
- Student Printing Credit = $10.00, access with Student ID Card. Should the student use all the printing credit they can purchase a top up with the Finance Officer or via the QKr App.

If you choose not to participate in the SRS, then you will need to purchase all resources for every subject. You can request a copy of the information with the costs involved from the Finance Officer.

It is a <u>mandatory requirement</u> for students who study STEM to bring their own computer device:

- check minimum specifications required for your device
- read and understand BYOD requirements
- complete and sign a BYOD Agreement form and return to the IT department, along with the device so it can be set up on the school network.

STEM – 1 x A4 Exercise book (128pg)

(BYOD – Bring your own device is not a compulsory requirement in yr9 any other subjects).

Refer to the BSHS website for further information:

Student Resource Scheme (SRS) Bring Your Own Device (BYOD / BYOx)
