## PROGRAM LOCATIONS

**Brendale:** 36 Kremzow Road, Brendale

**Meadowbrook:** 1-5 Nestor Drive, Meadowbrook

Skills  
Assure

To successfully complete the AUR20720 Certificate II in Automotive Vocational Preparation, students will need to fully complete seven (7) core units and five (5) elective units as per the below unit selections. The program will include a mix of online, classroom and practical training elements in our simulated workshop, gaining a real hands-on, engaging learning experience of what working in the automotive trade is all about.

## Core Units

**AURASA102** Follow safe working practices in an automotive workplace

**AURAEA002** Follow environmental and sustainability best practice in an automotive workplace

**AURAFA103** Communicate effectively in an automotive workplace

**AURAFA104** Resolve routine problems in an automotive workplace

**AURTTK102** Use and maintain tools and equipment in an automotive workplace

**AURLTA101** Identify automotive mechanical systems and components

**AURETR103** Identify automotive electrical systems and components

## Elective Units

**AURETR006** Solder electrical wiring and circuits

**AURTTK001** Use and maintain measuring equipment in an automotive workplace

**AURTTJ003** Remove and replace wheel and tyre assemblies

**AURTTE008** Dismantle and assemble multi-cylinder four-stroke petrol engines

**AURTTA104** Carry out servicing operations

7 core units  
5 elective units

## Career Start

Career Start is a Queensland Government initiative designed to help you gain your first post-school qualification.

Our Next Step programs are designed to provide you with the training and support to:

- move into employment
- re-enter the workforce
- upskill to advance your career

By opening doors to further opportunities, Career Start gives you the skills and confidence to move forward in your career.
