

Discover, explore and choose your trade pathway

NEXT STEP CONSTRUCTION

12 week program

With the **NEXT STEP** program, you'll develop the skills and experience required to gain a full-time job or apprenticeship by completing a Nationally Accredited trade qualification with the Australian Trade Training College.

Why train with the Australian Trade Training College?

- ✓ We get to know you!
- ✓ We build employment skills, set goals and develop your individual pathway plan
- ✓ We provide practical training in an industry environment
- ✓ We offer opportunities for work experience
- ✓ We provide ongoing mentoring and support

Program includes:

- ✓ CPC10120 Certificate I in Construction
- ✓ Work readiness support including resume and career action plan
- ✓ Opportunities for work experience to ensure you're on the path to success

YOUR NEXT STEP

We will be in touch to invite you along to our information session to discuss whether our Next Step - Construct Your Future program is right for you.

Costs: \$0 (concession) | \$275 (non-concession) *Career Start eligibility requirements apply.

Toowoomba: 56 Duhig Street, Toowoomba

**Skills
Assure**

To successfully complete the CPC10120 Certificate I in Construction, students will need to fully complete eight (8) core units and three (3) elective units as per the below unit selections. The program will include a mix of online, classroom and practical training elements in our simulated workshop, gaining a real hands-on, engaging learning experience of what working in construction is all about.

Core Units

CPCCCM1011 Undertake basic estimation and costing

CPCCCM2004 Handle construction materials

CPCCCM2005 Use construction tools and equipment

CPCCOM1012 Work effectively and sustainably in the construction industry

CPCCOM1013 Plan and organise work

CPCCVE1011 Undertake a basic construction project

CPCCWHS1001 Prepare to work safely in the construction industry

CPCCWHS2001 Apply WHS requirements, policies and procedures in the construction industry

Elective Units

CPCCCM2006 Apply basic levelling procedures

CPCCOM1015 Carry out measurements and calculations

CPCCOM2001 Read and interpret plans and specifications

8 core units
3 elective units

Career Start

Career Start is a Queensland Government initiative designed to help you gain your first post-school qualification.

Our Next Step programs are designed to provide you with the training and support to:

- move into employment
- re-enter the workforce
- upskill to advance your career

By opening doors to further opportunities, Career Start gives you the skills and confidence to move forward in your career.
