

WOMEN IN MOTION

CREATING PATHWAYS FOR WOMEN INTO HANDS-ON, IN-DEMAND INDUSTRIES

Strong careers. Real opportunities. Designed for women.

Women in Motion is a hands-on, industry-led program supporting women to explore and step into non-traditional industries where demand is growing and opportunities are real.

You don't need prior experience – just curiosity, commitment, and a willingness to have a go.

This program is about **confidence, capability and connection.**

Industries you'll explore:

MANUFACTURING

MARINE

WAREHOUSING

LOGISTICS

TRANSPORT

This Local Skills Solutions program is proudly funded and supported by the Queensland Government.

REAL OPPORTUNITIES. REAL WORKPLACES.

Supported, hands-on pathways into growing industries.

What the program includes:

Accredited training

- Workplace communication
- Work priorities and expectations
- Critical thinking and foundation skills
- Workplace health and safety

Job-ready, practical skills

- Hands-on activities and workplace simulations
- Introduction to tools and safe work practices (where relevant)
- Understanding workplace processes and expectations
- Exposure to real industry environments

Wraparound support

- Confidence, wellbeing and physical-readiness support
- Transport assistance (Go Cards, vouchers or group transport)
- PPE provided (where required)
- Digital literacy support
- Employment preparation, career planning and mentoring
- Ongoing check-ins throughout the program

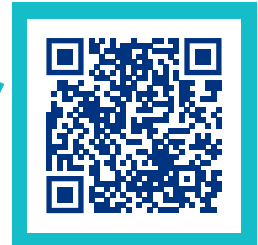

Who's it for?

This program is suited to women who:

- Are curious about practical, hands-on work
- Want confidence, support and new skills
- Are ready to explore new career pathways
- No age limits (participants must be work-ready).
