

# START YOUR CAREER IN THE CIVIL & CONSTRUCTION INDUSTRY

Shaping Australia Group is delivering a 2 week **Launch into Work** project followed by 3 weeks of accredited training to prepare 10 individuals for roles in the civil & construction industry.

## GROUNDED

**GROUNDED** is a structured workforce pathway designed to prepare **First Nations participants** for real jobs on real infrastructure projects.

It **combines** On Country cultural grounding, industry immersion, and accredited civil construction training, **creating job-ready candidates** aligned with **Tier 1** and **Tier 2** contractor requirements.

### What you'll gain from participating:

- A **guaranteed job** opportunity when you successfully complete the **GROUNDED** program.
  - Jobs will be casual/part-time and/or full-time (minimum 15 hours per week).
  - With Traineeships and Apprenticeships opportunities available.
  - Majority of jobs are full-time.
- **training** and **practical** workplace activities to give you the skills, experience and confidence you need to start in the job.
- **mentoring** to support you throughout the project and in employment.

*The project is expected to commence in **early June** at Tanah Merah and Mt Barney QLD*

### We are looking for:

- **First Nations men**, with a focus on youth and/or those experiencing long-term unemployment.
- Men who have a **genuine interest** in the roles on offer.
- Fit for **physical** and **outdoor** work.
- Required to pass **Drug & Alcohol and Medical Assessment**.
- **Reliable** and **punctual**.
- **Willing** to learn and build new skills.
- Able to **follow** instructions and work safely.
- Happy to work in a **team** and **independently**.
- Good **attitude** and **keen** to have a go.
