Arts / IT Academy Enrolment Form

Dear Parent/Caregiver

If your student wishes to specialise in Arts and IT programs run through Sport and Extra's time (70 min per week, plus extra-curricular opportunities) in **2024**, please sign the form below and return it to the office as soon as possible.

Arts and IT Academy Programs on offer at Beaudesert State High School are listed below.

Dance Academy	Stage production Academy (Drama)	School production Academy (Film, Tv)	Art and Design Development Program	Songbirds (Music)	E-Sports
Focuses on developing students' technical and creatives skills with the goal of producing performances for competitions and school-based / community events.	Students and teachers collaboratively work together to develop, brainstorm, write, rehearse, and deliver a school production and other school-based / community events.	Opportunity to design, film and edit all school promotional activities and Arts productions. The goal is to use production to enhance the way our community connects with Beaudesert State High School.	Develop and refine artistic and design practice through public art opportunities or negotiated individual artwork for school or public exhibitions.	Focus on creativity, expression, and collaboration. Students are expected to have some existing knowledge of an instrument or vocal skills to contribute to the collective.	The Club meets weekly to engage in eSports competition, either on an individual basis or in teams.

Please note the Academy Programs are a year-long commitment. Official contracts of agreement (specific to each discipline) are issued at the beginning of each school year.
