

BEAUDESERT STATE HIGH SCHOOL SPORTING PROGRAM

This program has been developed for passionate sporting students to empower them to pursue their sporting dreams. Students with demonstrated ability in one of Beaudesert State High School's targeted sports are supported through mentoring, training and education. Beaudesert State High School offers the following sporting programs:

- **Rugby League**
- **Football (soccer)**
- **Volleyball.**

COURSE OVERVIEW:

Beaudesert State High School's Sporting Program is designed to provide students with the opportunity to develop their skills and to use the study of their elected sport to improve their academic opportunities and provide pathways to tertiary study. Students undertake a minimum of three 70-minute lessons per week of instruction, involving a range of practical and theoretical aspects to improve physical performance, competition abilities and student wellbeing. Coaching sessions may also occur outside school hours.

Each sport participates in elite school-based competitions to provide students with an opportunity to showcase their abilities.

SPORTING PROGRAM

SELECTION CRITERIA:

Acceptance into the program is dependent upon a student's ability to meet the following criteria:

- applicants must be of acceptable playing standard and be prepared to reach their full potential with dedication, hard work and coachability
- proven sporting skill and ability (evidenced by attending trials and submitting documentation of representative levels)
- ability to work with others in pursuit of sporting excellence
- participation in all available competitions during the year at the discretion of the coordinator
- proven exemplary record of attitude, industry and behaviour in a school community
- attendance and participation at whole-school events – all Sporting Carnivals and Sports Awards
- willingness to achieve in other academic subjects by catching up on missed lessons and submitting all outstanding assessment before tournaments and competitions
- the financial ability to meet the costs associated with sporting programs
- the upholding of ALL school policies and procedures.

Our sporting program aims to develop well-rounded, ambitious athletes who have clearly mapped pathways, maximising their potential while achieving a balanced overall approach to education and wellness.
